NEWSLETTER - December 2021

## LAST NEWSLETTER OF '21

Every December people often reflect on the past 12 months and start thinking about their goals for the next year. In reflection, I think it would be fair to say 2021 has been a good year for us here at TRC. Despite the challenges of Pandemic we have managed to stay safe and to remain socially active within our little community. Many of us have contributed supporting others and this has made difference to the quality of our living and ultimately our wellbeing. Considering our goals for year ahead, perhaps priority should be given to the enjoyments we have in our lives. Experience of the pandemic and the restrictions it has imposed on us, makes us appreciate the freedom and choice.

## BISTRO

We had a successful family and friends event on the 4<sup>th</sup> December. All Christmas and Boxing day menus have been delivered and hopefully we are set for a successful festive season.

On the 15<sup>th</sup> December at lunch time we will set up a display for the cutlery choice and the costs. You will be able to select your preferred cutlery and we will go ahead and replace the cutlery with the most popular choice. If you wish to have a say on the matter please try and attend to the Bistro even if you are not having a meal on the day.

## Ongoing Maintenance

Garden contractor has now started and had their first visit. Big thank you to Malcolm and those in the garden group for their input on selecting the new contractor and passing on the valuable information for them to have a better understanding of our expectations.

Unfortunately there is a slight delay on the progress with the new TV installation and addressing the issue with the outside lights. This is due to contractors having issues with the covid related staff shortages. We aim to address both of these during next week.

## Laundry

Despite several reminders some are still continuing to use the laundry room after 8pm. This is a polite reminder that use of laundry late hours is causing inconvenience to some neighbouring homeowners. Also can we please request for you to avoid the use on Thursdays between 8am and 2pm this is when staff scheduled to complete laundry tasks.

## **DATES FOR YOUR DIARY!**
