Bistro

Reminder that all bistro payments are due on the 28th of each month.

Laundry

A gentle reminder to please only deal with your own washing when it comes to the laundry. There has been several occasions where other homeowner's laundry has been removed from the driers/washing machines still wet and left on top, this is not acceptable. If you are waiting for a drier and there are none available please do not remove someone else's washing to put yours in, you will need to wait for a machine to become available.

Many homeowners have also had laundry go missing. Please make sure when you are taking out/swapping over your washing you are paying close attention to the clothes in the wash. Several items have gone missing without being returned. Please check you're washing to ensure you have no one else's clothes, if you do please return these to the laundry or reception.

Security

A reminder of the following –

- Do not let anyone in through intercom system unless you are sure who they are. If you are not sure please advise them to call manager on the intercom.
- If you notice anyone follows you into the building please alert the duty manager immediately so we can check to make sure they are genuine visitors.

Ongoing Maintenance

Carpet cleaning has now been completed. I have ordered carpet dye to try and repair the stained patches if this does not work we will have to look at replacing carpets.

Door works ongoing – back door and front door quotes sent to head office for new headers and have been approved, will be fitted in due course.

Buggy store door replacement to be carried out in next 6-8 weeks.

Announcements
