

Tudor Rose Court

NEWSLETTER – January 2022

DEVELOPMENT STATUS UPDATE

Unfortunately we didn't have the best start to the New Year with 5 confirmed cases we had to introduce restrictions in the development to control any potential outbreak. Restrictions for a short period of time seem to have a positive outcome therefore from Monday we will be able to change our status back to normal. This means we will be opening the Restaurant as usual and return to other organised activities.

Infection rates in the community are still at a very high level therefore we still recommend the use of face masks within the building and be very courteous with social contacts. Testing and early detection has been one of the key factors controlling potential outbreaks therefore you are encouraged to carry out regular LFT tests to ensure it is safe for you to socialise with others.

ANNOUNCEMENTS

Linda Greet is now leaving her employment here at Tudor Rose on 9th January 2022. Linda has been a valuable member of the team and we sure will miss her. However, she wanted to make a change in her career and decided to move on to working with young children. We wish her every success in her new ventures.

On a positive note Julie Cowdery is starting her new post on Monday as Duty Manager and I am sure you will all get to meet her and make her feel welcome.

Ongoing Maintenance

New TV is now installed in the Lounge and we hope that you will have better experiences on Movie nights.

We are still working with the contractor to address some minor issues following the works was carried out to the doors.

We are waiting on the contractor to address the issue with the lights in the car park area. This should be done in the next week to 10 days.

Laundry

Engineer has been to see the faulty tumble dryers and they both operational. Further parts have been ordered and it will be replaced during next week.

Car Park

Please advise your visitors including those visiting for care or domestic services that parking outside the backdoor or any other area other than allocated parking is not permitted. This has been causing problems and it interferes with the waste collection from the kitchen as well as Savoy house waste collection. We both missed collections because of people leaving their vehicles by the back door.

DATES FOR YOUR DIARY!

I will make a new events Calendar available in the next couple days once I gather the information which activities will be continuing.

Garden contractor is due on the 11th January 2022

McCARTHY STONE

Life, well lived
